Subject: Background sampling locations & QAPP status
Date: Tuesday, November 18, 2008 5:14:12 PM
Attachments: [ProposedBackgroundSamplingPointCoordinates_111808.xls](#)

Scott, as requested, attached are the coordinates of the background soil samples mapped by AMEC in the off-Site soil sampling plan. These are subject to field adjustment as discussed.

Also, I understand that the QAPP for this work is still in development and a draft is imminent.
