Cabot Portion of Cabot/Koppers Superfund Site, Gainesville, FL

Data Inventory

No additional data were collected during the month of July.

Data Reporting

Data associated with the Pre-design Investigation were presented in the 50% Remedial Design Report, which was submitted to US EPA on July 6th.

Upcoming Action Items

Final US EPA and GRU comments on the 50% Remedial Design Report were received on July 24th. FDEP comments on the 50% Report were received on July 31st. Comments will be addressed prior to the submittal of the 100% Remedial Design Report. Geosyntec is drafting the 100% Remedial Design Report, and is currently on schedule for submittal on September 14.
