Re.: October 2018 Monthly Progress Report

Dear Scott:

Please find attached the October 2018 Monthly Progress Report for the Cabot portion of the Cabot/Koppers Superfund Site in Gainesville, Florida.

Please feel free to contact me with questions.

Sincerely,

**October 2018 Monthly Progress Report
Cabot Portion of Cabot/Koppers Superfund Site, Gainesville, FL**

Data Inventory

No additional data were collected during the month of October.

Data Reporting

The Cabot remedial interceptor trench discharge pump station monitoring report for the third quarter of 2018 was submitted to Gainesville Regional Utilities during the week of October 22.

Upcoming Action Items

US EPA approved the 100% Remedial Design report with the exception of the Operations, Maintenance, and Monitoring Plan, which will be finalized at a later date to incorporate stakeholder input. Cabot has initiated the process to procure construction services for remedial action implementation at the Site.

The routine annual groundwater monitoring event at the Site is scheduled for the week of November 5 to 9, 2018.
