Rick,

Yes, there will be a future workplan that we'll pass around for review and comment.

Thanks,

Scott Miller

Scott,

As you know we share ACEPD & the community's concern regarding potential buried drums at Koppers. Will there be a future workplan outlining the approach for locating potential drums? We look forward to working with you on this.

Dear Scott,

Please see the attached letter from ACEPD addressing received citizen
concerns about the potential for buried drums to be present at the
Koppers Superfund Site.

Thanks
