Mr. Robb,
Thank you for the revised April 26, 2010. EPA approves this proposal and looks forward to working with you on its implementation. Attached is an approval letter with some clarification points related to this approval.

(See attached file: 04_26_2010 Koppers off_site soil approval.PDF)

Subject: Gainesville Revised Off-Site Sampling Plans

Scott,

On behalf of Beazer, attached is a letter describing an amended proposal for additional off-Site soil sampling to the south, east, and northeast of the Koppers portion of the Cabot Carbon/Koppers Superfund Site and several non-residential background locations in Gainesville, Florida.

Also attached is a letter describing an amended proposal for off site soil sampling to the west of the Koppers portion of the Cabot Carbon/Koppers Superfund Site.

Should you have any questions about these proposed amendments, please do not hesitate to contact Mitchell Brouman at 412.208.8805.

Respectfully,

Joseph Robb, P.G. | Associate Hydrogeologist
