Mr. James R. Erickson, P.G.

Vice President, Principal Hydrogeologist

Tetra Tech GEO

363 Centennial Parkway, Suite 210

Louisville, CO 80027

Dear Mr. Erickson:

Thank you for the April 20, 2015, document entitled "*Pre-Final Design for Former Process Area In-Situ Geochemical Stabilization Remediation, Former Cabot Carbon/Koppers, Inc. Site, Gainesville, Florida, Version 2.*"

We approve this document, and look forward to working with you on its implementation.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Miller".

Scott Miller

Remedial Project Manager

U.S. Environmental Protection Agency
