Subject: Cabot Sampling

John,

Weston will be at the Cabot site conducting quarterly groundwater sampling during the week of March 24, 2008. I understand that your department may want observe these activities. Our geologist, Brant McCanless, will begin collecting water levels on Tuesday, 3/25/08. You can contact Brant on his mobile phone at (770) 355-5015 to make connections at the site.

Thanks,

Ralph
