Subject: RE: Fencing and Signage West of the Former Koppers Site
Date: Friday, August 20, 2010 2:39:12 PM

The proposed warning signs and placement locations along the easement west of Koppers are consistent with DEP regulations. We look forward to timely placement of the signage and request a similar commitment from Beazer regarding installation of warning signs along the perimeter of the Koppers facility property. Thank you.

Subject: Fencing and Signage West of the Former Koppers Site

Hello Mr. Murry,

The attached letter describes Beazer's proposed fence installation west of the former Koppers Site.

Please review this and let me know if you have any questions.

Thank you,
Greg
