Dear Mr. Markwell:

Under Section 403.815, Florida Statutes, and Rule 62-110.106(6), Florida Administrative Code, you (the applicant) are required to publish at your own expense the enclosed Notice of Application. **The notice must be published one time only within 14 days of receipt of this letter**, or if your application is not yet complete, within 14 days of submittal of a complete application. The notice must be published in the legal ad section of a newspaper of general circulation in the area affected. For the purpose of this rule, "publication in a newspaper of general circulation in the area affected" means publication in a newspaper meeting the requirements of Sections 50.011 and 50.031, Florida Statutes, in the county where the activity is to take place. Where there is more than one newspaper of general circulation in the county, the newspaper used should be one with significant circulation in the area that may be affected by the permit. If you are uncertain that a newspaper meets these requirements, please contact me at (904) 807-3314.

You (the applicant) must **provide proof of publication** to the Department's Northeast District Office, 7825 Baymeadows Way, Suite B200, Jacksonville, Florida 32256-7577, **within two weeks of publication**. Failure to publish the notice and provide proof of publication within the allotted time may result in the denial of the permit under Rule 62-110.106(11), Florida Administrative Code.

Sincerely,

Jeffrey S. Martin, P.E.
Wastewater Permitting Supervisor
