Greg,

Thank you for the update. With this response all of the used oil release areas, noted in the inspection report, are addressed. Please let me know as soon as you are ready to address remaining Drip Pad related area of concern listed in the May 18th inspection report. At a minimum, I would like a status update by August 18th.

Ashwin,

The attached letter documents the recent cleanup of an area referenced in your May 18 letter and provides some other related updates.

Please call me if you have any questions.

Thanks,
Greg
