RE: Cabot/Koppers Superfund Site
Operable Units Two through Five (Koppers)
Gainesville, Florida
EPA ID: FLD980709356

Dear Mr. Council:

Thank you for the January 31, 2020 document entitled "Remedial Design Work Plan Addendum, Cabot/Koppers Superfund Site, Operable Units Two through Five (Koppers) Gainesville, Florida EPA ID: FLD980709356 Version 1 prepared on behalf of Beazer East, Inc. for the above referenced Superfund site.

It is understood that the implementation of the proposed field activities outlined in the above referenced document may be modified as necessary in the field based on real-time measurements and other factors, and that these decisions will be made in collaboration with EPA, FDEP and the site stakeholders. With this stipulation, EPA approves this document and looks forward to working with you on its implementation. Please provide an approximate schedule for the field work mobilization as soon as practical. Thank you.

Sincerely,

W. Russell Kestle, Jr.
