RE: Cabot-Koppers Superfund Site

Dear Ms. Dorval:

On behalf of the Alachua County Board of County Commissioners, I am writing to ask for assistance from the Gainesville-Alachua County Association of Realtors (GACAR) to inform your members of the presence of the Cabot-Koppers Superfund site in northwest Gainesville (see attached map).

At the June 22, 2010 County Commission meeting, citizen concerns were expressed that some realtors selling properties in the vicinity of this federal superfund site may not be adequately disclosing to prospective buyers information about the presence of this contaminated site.

Please contact Dr. John Mousa, Pollution Prevention Manager with the Alachua County Environmental Protection Department, if you need additional information about this request. Dr. Mousa can be contacted at 352-264-6805 or jjm@alachuacounty.us. Thank you.

Sincerely,

Cynthia Moore Chestnut, Chair
Alachua County Commission
