Subject: Additional Meeting Time and Place for One-on-One with E2, Inc re Koppers Future Land Use

Everyone,
Matt Robbie has provided me with an additional meeting time and place for community discussion of the future land use of the Koppers Superfund Site. Please see below.
Robert

All:

Thank you all for attending the March 8th Community Development Commission meeting regarding the Cabot/Koppers Site Reuse Assessment. In response to community stakeholder suggestions that E² Inc. staff meet with neighborhood residents independently to better understand the full range of reuse goals and concerns, we have made arrangements for two community discussions on Friday, March 26.

Reuse Goals Discussions - Friday, March 26, 2010

11:00 am - 1:00 pm - Wild Iris Books (802 W University Avenue, Gainesville, FL)
2:00 pm - 4:00 pm - Parkview Baptist Church (3403 NW 13th Street, Gainesville, FL)

Matt Robbie, project manager with E² Inc., will be available to hear about community members' goals and concerns for the reuse of the Koppers site and help facilitate discussion. Feedback from these discussions will help to inform the Reuse Assessment for the Cabot/Koppers Site.

If you are not available to attend either of the March 26th discussions but would like to share your goals for the reuse of the site, please let me know and I can schedule a time to speak with you by phone.

Feel free to contact me with any questions at 802-735-9109.

Thanks!

Matt Robbie
