**Subject:** Demolition Permit for Cabot - Koppers Superfund Site  
**Date:** Thursday, May 20, 2010 1:55:25 PM

---

Hi Scott & Kelsey:

The City's Planning and Development Department is in the process of reviewing a demoltion permit for the Cabot- Koppers site. Has Beazer's submitted a Demolition plan for your review or approval. If so, the demolition plan has not been submitted to the local government or the Health Department for their review and comments. In addition, the demolition plan should including information how dust/ air borne issues will be monitored or reduced during the demolition phase. I cannot support a demolitiion permit being issued until these issues are discussed or the demolition plan submitted.

Please call me

Fred
