

# **Neighborhood Workshop**

## **Demolition of Structures at Former Koppers Plant**

A neighborhood workshop will be held to review the demolition plan for several structures at the former Koppers wood treatment plant located at 200 NW 23<sup>rd</sup> Avenue, Gainesville, FL.

**Date: September 22, 2010**

**Time: 6:00 p.m.**

**Place: Former Koppers Plant: Main Gate  
200 NW 23<sup>rd</sup> Avenue  
Gainesville, FL**

**Contact: Mitchell Brouman, Beazer East, Inc.  
(877) 678-9790**

The property owner will hold a workshop to discuss the plan to remove structures that were used during plant operation. The structures will need to be removed before environmental remediation actions can be implemented. The purpose of the workshop is to inform neighboring property owners about the planned demolition activities and to seek comments.
