Subject: Soil Gas Investigation Report - Former Cabot Carbon, Gainesville, FL

All,

In my next e-mail, I will be sending you two PDF files:

- A copy of the revised soil gas investigation report conducted at the former Cabot Carbon site in

Gainesville, Fla.; and

- A cover letter and response to comments from ACEPD, City of Gainesville, FDEP, and FDOH.

The report PDF file is relatively large (7.7 Megs). Should you not receive these two files, please contact me and I will send it in several parts.

Thank you and have a good weekend,

Laurent
