Subject: FW: Koppers- Offsite Notice letters - Delineation samples
Date: Friday, March 04, 2011 2:07:19 PM
Attachments: [Sample Koppers Letter 03-04-11.pdf](#)

Attached is an example Offsite Contamination notice letter that will be mailed to property owners today based on results of the September 2010 soil sampling of properties proximal to the Koppers site, as part of the ongoing effort to delineate offsite soil contamination. The September delineation sampling consisted of the collection of soil samples on private properties located west of the former Koppers facility and on Rights of Ways immediately south, north and east of the former Koppers facility.
